DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

(1) DAVID J. JOSEPHIC

(3) _____

(2) _____

(4) _____

Date of interview 04/12/84

Type: Telephonic Personal (copy is given to applicant applicant's representative).Exhibit shown or demonstration conducted: Yes No. If yes, brief description: _____Agreement was reached with respect to some or all of the claims in question. was not reached.

Claims discussed: 1-16, 20-26

Identification of prior art discussed: _____

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner returned

the attorney's call to discuss the final rejection. It was agreed to that applicant's proposal to limit the disorders to "structural intraocular disorders" would obviate the rejection under 35 USC 112. The attorney indicated that he intends to make claims 20 to 22 dependent upon claim 1. No commitment was made regarding claims 20 to 22. The claims, as amended, will be fully reconsidered when applicant responds.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

 It is not necessary for applicant to provide a separate record of the substance of the interview. Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
